

TOSS: Win it → BOWL FIRST. Early season, away ground, damp conditions. Use seam movement to attack their top 4.

BOWLING PLAN (if bowling first):

- Overs 1-10: **Sunit Sar + Rajesh Rajamannaar** — new ball, target Khalid Khan and Naveed Rashid. Tight 4th stump line. Slips in.
- Overs 10-25: **Saravana Subra** (spin) + **Raghav Pyaraka** — Saravana vs Naveed Rashid is the KEY matchup. Dry up runs.
- Overs 25-40: Rotate all bowlers. **Zubair/Neel** as 5th bowler. Attack their weak middle order (avg 8-21).
- **Target:** Get their top 4 out for under 120. Their tail will fold.

BATTING PLAN (chasing or batting first):

- Overs 1-10: **Srikanth + Shashi Kiran** — SURVIVE Hasan Ali's opening spell. Don't attack. He takes a wicket every 15 balls.
- Overs 10-25: **Zubair + Arjun/Vandit** — build the innings. Target Rajat Rajat and Zahid Mehmood for runs.
- Overs 25-40: **Neel Kavali + Vishnu Kumar** — accelerate against part-timers. Kranthi Patlolla (econ 3.01) will be tight — just rotate strike.
- **Target:** 180+ if batting first. If chasing, keep wickets in hand for the last 10 overs.

FIELDING: Aggressive field for their top 4 — slips, close catchers. Spread the field for their middle/lower order — they'll give catches in the deep.

 **Key to winning: Get their top 4 out cheaply. Survive Hasan Ali. Score off their part-timers.**
